EDUCATION

China West Normal University Sep 2024 – Jun 2028

Bachelor of Arts in Broadcasting and Hosting

- **Coursework:** New Media Communication, New Media Operations, Program Planning & Directing, Short Video Production & Creation, Fundamentals of Writing, Fundamentals of Journalism, TV Cinematography & Editing.
- **Honors and Awards:** Second Prize, Provincial Level, 18th National College Student Advertising Art Competition (Team Leader); AI Creation Excellence Team Award (Highest Tier Creation Award), 2026 International Youth AIGC Comic Drama Hackathon.

WORK EXPERIENCE

Chengdu Offer Xiansheng - Chengdu, China **New Media Operations Intern** (Mar 2026 – Jun 2026)

- Utilized AIGC to assist content innovation, and established an AI-driven workflow for topic selection, copywriting drafts, and cover material generation. Achieved a single-month total readership of **1.11 million**, **gained 16,000+** followers, and exceeded team KPIs by achieving an **800%** performance rate.
- Drove dual growth in account traffic and followers, producing 100+ pieces of content monthly with a **90%** viral content rate. Developed essential content coordination, scheduling planning, and bulk content creation capabilities required for on-camera directing roles.

Nanchong Radio and Television Station - Nanchong, China **Program Planning Intern (**Mar 2025 – Aug 2025)

- Authored planning proposals for children's programs and proactively researched variety show interaction models. Proposed 3 original interactive segments which were adopted by the directing team and became permanent features.
- Oversaw on-site workflow and personnel scheduling. Developed pre-recording checklists and coordinated lighting, audio, and guests on-site to ensure the successful recording of 10+ episodes.

Self-Media Experience

- Built a personal Xiaohongshu (RED) account from scratch, creating video editing tutorial content. The first two videos generated **100K+ views** and 2,000+ saves, leading to 100+ inbound consultation orders for video editing services.

SKILLS & CERTIFICATIONS

Technical: Proficient in Microsoft Office, Photoshop, Premiere Pro (PR), and Canva for office, design, and video editing tasks.

Languages: Mandarin (Native), English (Professional working proficiency, CET-6)
